## PARENTS/GUARDIANS DUTY ROSTER 2011/2012

A requirement of registration is that parents/guardians agree to participate in a roster system to help out during competition as an official at an event or in the canteen. Anyone can help in some way: by holding a tape, raking the sandpit, writing place tickets or taking around refreshments.

**Athlete's eligibility for Centre & Team Awards is dependent on parents completing at least SIX (6) weeks of duty.** An Officials Card will be allocated to each family and needs to be signed by the Chief at the event at which you are assisting so that records can be maintained.
